

### Wilson Reading

The Wilson Reading System is a research-based reading program appropriate for students in grades 2-12 who have difficulty with reading (decoding) and spelling (encoding). The Wilson Reading System uses a multisensory technique initially designed for older individuals with dyslexia. The following schools currently have teachers that have been trained in this method

School Name	Address	Zipcode	Ward	Grades	Phone #	Fax #	Principal	E-Mail
Bancroft ES	1755 Newton St. NW	20010	1	PS - 5	673-7280	673-6991	Fay Thompson	<a href="mailto:fay.thompson@dc.gov">fay.thompson@dc.gov</a>
